

Summer Vet/SciTrek Scholarship Application

The SciTrek and the Summer Vet Programs provide a few scholarships (up to the cost of program tuition and room and board - \$1,000 maximum) to disadvantaged students. These scholarships are based on disadvantaged circumstances and the student's motivation.

Please complete the Financial Information sheet (if applying for financial disadvantage) and submit a brief essay describing disadvantaged circumstances and why these summer enrichment experiences are important to you.

Disadvantaged circumstances will be evaluated in the following categories:

- **Economic factors:** a demonstrated history of low income of applicant and family unit prior to college entrance and pre-veterinary education; level of financial support provided by applicant to the family unit prior to and during pre-veterinary education; if applicant has a major financial responsibility to a household and history of financial aid.
- **Educational factors:** inadequate early education because of frequent change of schools during elementary and secondary education; unusual number of hours of employment or necessitated other time commitments during high school for supporting self and family unit; lack of exposure to academic role models and of participation in sound educational programs.
- **Cultural/environmental factors:** born to immigrant parents; reared in an ethnic minority culture; reared in a family with English as a second language; experienced bi-cultural stress as a result of transition from a predominantly ethnic minority community to an academic environment; reared in an economically depressed area; reared by someone other than parents; reared in an environment lacking exposure to opportunities offered by higher education; reared in an environment of abuse such as alcohol, drugs, child abuse, and other physical abuse.

If you would like to apply for one of these scholarships, please return the attached Disadvantage Application and your essay to the College of Veterinary Medicine Dean's Office **no later than May 15, 2008**. Awards will be announced by May 31, 2008. Submitting this application does not guarantee a scholarship.

Submit completed scholarship application only to:

SciTrek/Summer Vet Scholarship Program
Attn: Dr. Sherry Stewart
Colorado State University
College of Veterinary Medicine-Dean's Office
Campus Delivery 1601
Ft. Collins, CO 80523 -1601

Registration Forms are to be sent to CSMATE according to the directions in that packet, not to this address.

Summer Vet/SciTrek Scholarship Application
